Dear Potential Contributor:

My name is _____ and I am a member of the AAU Central Western New York Youth Basketball Clubs Inc. There are teams comprised of outstanding youth players from throughout the Central Western New York State area.

This year, the teams will compete in New York, New Jersey, Pennsylvania, Ohio, Virginia, and Indiana.

In order to compete in these tournaments, we must raise more than \$10,000 for transportation, uniforms, lodging, tournament entry fees and rental of practice and game facilities. It will be necessary for each player to raise at least \$225 towards that amount.

I am asking you, your organization, or business for support in the form of a **TAX DEDUCTIBLE CONTRIBUTION** that would help us achieve our goal.

Please read the attached letter from Central Western's AAU head basketball coach that gives specific details about the AAU programs. You may also call Richard Hill at 585-261-2514 for additional questions.

**Please mail your contribution to:

Dear Sir or Madam,

Central Western New York Youth Basketball Clubs Inc. needs your help. These young men and women will be competing in tournaments in New York, New Jersey, Pennsylvania, Indiana, Virginia and Ohio. On these weekends, the Central Western teams will play 4-6 basketball games. In addition to their weekends, they meet one night a week at Seneca Falls Chiropractic College for practice. The other 4 nights a week they work individually on their skills. The players, their parents, and coaches must raise all money needed to fund the program.

We are asking for your support in the form of a **TAX DEDUCTIBLE contribution**. The monies will be used for transportation, uniforms, lodging, tournament entry fees and rental of practice and game facilities. **Our coaches do not receive any pay; they are volunteers**. Any contribution would be greatly appreciated.

The Central Western New York Basketball Program is a member of AAU basketball. AAU stands for Amateur Athletic Union and has been operating successfully throughout the United States since 1948. Last year, over 50,000 young men and women participated on more than 5,000 teams in a nationwide program.

The purpose of our program is to stimulate and improve opportunities for amateur youth players in Central Western New York and to promote and develop leadership, physical fitness, educational opportunities, teamwork, and athletic excellence. In today's society, we hear too many negatives about teens. The media speaks of teen violence and the abuse of drugs and alcohol. This basketball program enhances the positive contributions of our youth.

Central Western New York Youth Basketball Clubs Inc. is a 501 (c) 3 organization and our EIN # is 16-1488817.
No goods or services are received in exchange for a donation.

Attached is the contribution form. Thank you for your consideration and contribution to this worthwhile cause.

Sincerely,
Richard B. Hill, Director Central Western AAU /Head Coach
